### Bio

Veronica Romney is a Dream Team Architect who helps online entrepreneurs build their dream teams and train their rainmaking marketing leaders. She's a former Speaker and Trainer for Tony Robbins and Dean Graziosi and the former Chief of Staff of mega-brand BossBabe. She's no stranger to the stage and has been in the online marketing world for over 15 years, having been featured in places like Forbes, Inc, Huffpost, ABC News Radio, and more. When she's not helping her visionary clients scale to 8-figures plus, you can find her wrangling her two man cubs in the beautiful oak trees of North Carolina.

### Sample Interview Questions:

- *What is your process for hiring and building an amazing marketing team?*
- *What is a Rainmaker?*
- *Why do you think launches can make or break companies?*
- *What's the perfect structure of a successful marketing department?*
- *How does a Visionary CEO not compete with their own leaders?*

### Sample Topics:

- How To Build A Dream Marketing Team For Your Online Business
- How To Transition From The Full-time Marketer To Full-time Founder Of Your Own Business
- Are You Ready To 10x Your Business...Or Are You Ready To Scale It? (because there's a big difference between the two)

Essentially anything around structuring, building, hiring, mentoring, developing team members.
